Hello to all!

We have had terrific training sessions last week and yesterday, more than 30 players turned up and worked hard with Roh and Jacob.

We want to welcome a few new players who just joined our club: Hank Horwitz, Omri and Tomer Bachar, Adi Massas and Niv Keinan. We wish you all a great and successful season

We are happy to announce that we have opened one more u10 team for kids who's age is 7 -9.

As all teams are getting ready for the league games, all players are encouraged to attend the training sessions.

In the coming training sessions the coaches are going to build up the teams, working with the players on their positions within the teams.

Our coaches are starting to look for potential captains to be nominated to each of our club teams. We hope that one of them will be raising the league trophy at the end of this season.

Getting prepared for the league, we need the players to bring with them the registration forms together with a copy of their passport.

We are still on the look for more players aged 8 to 15, so bring over new friends.

For the coming weekend matches vs. Fastbreak, we wish to our U12 boys & girls and the U14 boys teams a good and successful start for this season. Parents and siblings please join us to cheer our teams at their games.

Wishing you all "Purim Sameach".

Whilst the new season commenced on Sunday 31 January, 2010 Maccabi is still looking for players. It is never too late to join us as we continue to build our numbers for teams to participate in the next seasons of CBL. Please invite your friends to come and have a try!

New Member's Profile: Ariel Maoz

Ariel Maoz is a new member of our club who has joined the girls U12 squad.

Ariel is 10 years old, she was born in Israel. She is living in Singapore for just over two and a half years.

Ariel goes to the Overseas Family School where she meets most of her friends.

Her favorite sport is basketball, being inspired by her grandfather. "He was a professional player and played for the Israeli national team,

many years ago". As such she asked to have the no' 4 jersey shirt.

When asked about our club she said : " I joined Maccabi Singapore lately and I'm having a great time in the team. It is great fun playing with boys and girls of my age, and competing in games during practice".

With a great sportive spirit she added "I would like to learn to play basketball better than I do now and win the games we will have with other teams".
