

Welcome to a new Season of Basketball

February 2010 - Issue 1

Hello to all!

Welcome back to all returning players and a warm welcome to all our new ones.

A new Maccabi basketball Season opened and we had a fantastic opening session last Sunday with Coach Roh and Coach Roy. Thanks to all the parents and players that came although it was at a very short notice.

Wednesday night was our first formal training session at Emaar with our U10's benefiting from assistant coach Jacob's and coach Roh's skills and knowledge, and our bigger players working hard as usual with Coach Roh.

It was definitely pleasing to see everyone's positive attitudes and high levels of motivation; we had an outstanding turn-out of 28 players working hard on fitness, skills and self-discipline, under the coach's watchful eye.

The groups that will run this term: U10; U12; U14 and U16 boys and girls. All these kids will benefit from professional training and experience in games. We're aiming at opening the U8 group towards March.

Well done to all players. It was a great and promising start for 2010, and we wish you all a great season.

Whilst the new season commenced on Sunday 31 January, 2010 Maccabi is still looking for players. It is never too late to join us as we continue to build our numbers for teams to participate in the next seasons of CBL. Please invite your friends to come and have a try!
